ok  
I'll talk with Damian Shragrue, Conant Principal and JD Head who is in charge of bussing and get back to you. I don't anticipate any problem as we are adding some much needed parking spaces over there this summer.

Dear Steve,

During past elections, the administration of the Conant School has graciously offered to move school busses to their satellite locations and has asked the staff to park in alternative spaces in the rear of the building.

As the Town is considering adding Precinct One to the location, I would ask if you could reach out to the Principal and emphasize once again the need for mutual cooperation and understanding in keeping the areas clear, and making sure scheduling conflicts in the gym do not occur.

I would appreciate it if you could deliver this message to the appropriate people.

Regards,

Steve

Despite my discussion with the School Superintendent, the High School cannot accommodate voting at the Upper Field House on the Primary day or Town Election day as their school calendar is already set. We will have to rescind our vote and plan on starting the following year.
